"THE SPOT"

...where you can find the latest news from 3C!

Important Dates!

*IREAD
March 2018
*ISTEP
March 2018
April/May 2018

*Don't forget we are always collecting BOX TOPS.
Please save those and send them in!*

To Class Families:

Hello! Don't forget every student needs ONE container of vanilla frosting by Wednesday for our gingerbread house projects on Friday. Also, we'll take any volunteers who would like to come and help us on Friday from 1-2 PM. :)

This week we will continue reading from our reading textbook. The goal is for students to practice one comprehension skill, 5-8 vocabulary words, and their spelling skill (and words) throughout the week. A test will be given over those skills (not the story) on FRIDAY. *Our story this week is called The Man Who Invented Basketball.* ***The skills that will be on the test can be found at the bottom of this page.*** *A STUDY GUIDE will be sent home on Wednesday.*

In Math this week, we will finish Topic 16, finding perimeter of four sided shapes. Students will continue taking multiplication timed tests each Monday, Wednesday, and Friday. It is VERY important for students to be reviewing their multiplication facts at home. Please let me know if you need more flashcards or practice worksheets.

In Writing, we are finishing up some informative writing pieces on student-chosen topics.

As always, if you have any questions or concerns, please don't hesitate to contact me. Thanks and take care!

**Reminder- you must have an approved background check on file in the office to eat lunch with your child at school, volunteer in the classroom, and chaperone field trips. **

SKILLS for TEST ON FRIDAY!

***Spelling Skill: irregular plurals**

Spelling Words: wolves, knives, feet, men, children, women, sheep, heroes, scarves, mice, geese, wives, elves, banjos, halves
