To Class Families:

Hello! There is another letter going home today about our 3rd grade Gingerbread House Projects. Let me know if you have any questions.

This week we will continue reading from our reading textbook. The goal is for students to practice one comprehension skill, 5-8 vocabulary words, and their spelling skill (and words) throughout the week. A test will be given over those skills (not the story) on FRIDAY. *Our story this week is called Around the Cactus.* ***The skills that will be on the test can be found at the bottom of this page.*** *A STUDY GUIDE will be sent home on Wednesday.*

In Math this week, we will finish Topic 6, finding area of four sided shapes. ***Math test over Topic 6 on Thursday.*** *Students will continue taking multiplication timed tests each Monday, Wednesday, and Friday. It is VERY important for students to be reviewing their multiplication facts at home. Please let me know if you need more flashcards or practice worksheets.*

In Writing, we are finishing up some informative writing pieces on student-chosen topics.

As always, if you have any questions or concerns, please don't hesitate to contact me. Thanks and take care!

Reminder- you must have an approved background check on file in the office to eat lunch with your child at school, volunteer in the classroom, and chaperone field trips. *
